Sir

Sub - Appointment of an additional compounder to the Krishnamurthipuram dispensary, Mysore

---

I have the honour to state that during my inspection of the Krishnamurthipuram dispensary, Mysore on 26-7-1942 I observed that the attendance in this dispensary had considerably increased and that the Sub Assistant Surgeon was unable to manage the heavy work with the aid of a single compounder The total number of patients treated in this dispensary during the year 1941 was 50 425 with a daily average of 341 23 I instructed the District Medical Officer Mysore to pursue the question of appointing an additional compounder to this dispensary In submitting herewith a copy of letter No M 5-M C 158/42 dated 25th May 1943 from the President Municipal Council Mysore on the subject together with a copy of the resolution of the Municipal Council I request that sanction be accorded to the appointment of an additional compounder to the Krishnamurthipuram dispensary Mysore on a pay of Rs 20-3/5-30, the cost being met by the Municipal Council Mysore The arrangement proposed is similar to that obtaining in the case of Old Agrahar and Erangere dispensaries in Mysore where the daily average attendance of patients is heavy

I have the honour to be,
Sir
Your most obedient servant

Are G O's issued from L-S G, sanctioning additional establishments to local bodies, communicated through F.D.?

Asst Secy (Reg) 14/9/43 GOL

The reply is in the negative except in case where a portion of the expre to be incurred is to be met out of State funds

Asst Secy (Reg) 15/9 [illegible]

The G O has issued from Mr L-S G, and the expre is met from funds of the L.S.G In the above circumstances, I think Comm^n through F D is not required under the rules

~~Replaced~~ The Compr has, however seems to think Comm^n through F D necessary Will, if appd, be communicated
